State of New Hampshire

To the inhabitants of the town of Gorham in the County of Coos in said State, qualified to vote in town affairs:

You are hereby notified to meet in the Municipal Hall on Tuesday, the tenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

Article 1. To elect one selectman for three years, and to choose all other necessary town officers for the ensuing year.

Article 2. To see what sum the town will vote to raise and appropriate for highways and bridges.

Article 3. To see what sum the town will vote to raise and appropriate for winter roads.

Article 4. To see what sum the town will vote to raise and appropriate for water and sewer maintenance.

Article 5. To see what sum the town will vote to raise and appropriate for the purpose of replacing some of the old hydrants.

Article 6. To see what sum the town will vote to raise and appropriate for street lights.

Article 7. To see what sum the town will vote to raise and appropriate for police for the ensuing year.

Article 8. To see what sum the town will vote to raise and appropriate for the Public Library.

Article 9. To see what sum the town will vote to raise and appropriate for the District Nursing Association.

Article 10. To see what sum the town will vote to raise and appropriate for the Gorham and Cascade Skating Rinks.

Article 11. To see what sums the town will vote to raise and appropriate for Parks and Playgrounds and Recreation.

Article 12. To see what sum the town will vote to raise and appropriate for the American Legion Memorial Day.

Article 13. To see what sum the town will vote to raise and appropriate for repairs at the American Legion Hall.

Article 14. To see what sum the town will vote to raise and appropriate for the Public Dumping Ground.

Article 15. To see what sum the town will vote to raise and appropriate for Town Charges.

Article 16. To see if the town will vote to authorize the selectmen to distribute the inventory blanks when taking the inventory.

Article 17. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes, when such debts are incurred and expressly made payable therefrom by such vote. And to see if the town will vote to authorize the selectmen to apply to the Governor and Council for assistance in financing the needs of the town, as previously provided by Chapter 63 of the Laws of 1933, or any amendment made thereto.

Article 18. To see what sum the town will vote to raise and appropriate for Cemeteries.

Article 19. To see what sum the town will vote to raise and appropriate for Band Concerts.

Article 20. To see what sum the town will vote to raise and appropriate for Advertising.

Article 21. To see what sum the town will vote to raise and appropriate for the retirement of Water Bonds.

Article 22. To see what sum the town will vote to raise and appropriate for the retirement of Land Bonds.

Article 23. To see what sum the town will vote to raise and appropriate for the retirement of Water Supply Bonds and Equipment Bonds.

Article 24. To see if the town will vote to return the salaries of the Water and Sewer Commissioners to the 1938 level, and to have it distinctly understood that their salaries shall be their sole financial remuneration, direct or indirect, from the Water and Sewer Department.

Article 25. To see what action the town will take toward establishing the office of Town Manager, pursuant to the provisions of Chapter 69 of the Laws of 1929.

Article 26. To see if the town will vote to adopt chapter 66, Section 44 of the Public Laws, and to set August 1st of each year

as the date on which notice shall be given of unpaid poll taxes.

Article 27. To hear the reports of town officers, agents, committees heretofore chosen, and pass any vote relating thereto.

Article 28. To transact any other business that may legally come before the meeting.

Given under our hands and seal this twentieth day of February, in the year of our Lord, nineteen hundred and forty-two.

E. F. McLEOD,
I. W. FOGG,
P. K. ROSS,
Selectmen of Gorham, N. H.

A true copy of warrant—Attest:

		<hr/>
		\$ 1,787.56

Mr. Biron's contract continues for eight weeks longer, expiring March 28, 1942. Mr. Biron has \$235.44 due on his contract to March 28, 1942, plus two weeks held back \$58.86, plus 10% held back \$170.00, or a total of \$464.30.

We wish to thank everyone for their splendid cooperation during the year.

C. C. MacDONALD,
ERNEST ORINO,
L. E. GILLIS.

Auditors' Report

This is to certify that we have checked the accounts of various Departments of the Town of Gorham for the fiscal year ending January 31, 1942, with the books of the Selectmen and Town Treasurer and find no errors since the State Audit as of October 20-31, 1941.

C. B. NORTON,
E. H. CADY,

Auditors.

February 20, 1942.

A true copy attest of the Vital Statistics of the Town of Gorham, N. H., for the year ending December 31, 1941.
 ALBERT R. WILSON, Town Clerk, Gorham, N. H.

R E P O R T

OF AN AUDIT AND EXAMINATION
OF THE ACCOUNTS

OF THE

Town of Gorham

MADE BY

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

OCTOBER 20 - 31, 1941

Division of Municipal Accounting

State Tax Commission

Concord, N. H.

November 29, 1941

Board of Selectmen
Gorham, N. H.

Gentlemen :

In accordance with the vote taken at your annual meeting in March, 1941, an audit and examination of the accounts of the Town of Gorham has been made by the division of municipal accounting of the State Tax Commission, a report of which is submitted herewith. This audit covers the fiscal year ended January 31, 1941, and the current year from February 1 to October 20, 1941. Schedules as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Water Department and Trustees of Trust Funds.

Finances

In order to present a comprehensive picture of the financial condition of the town during the last ten years and the changes which have occurred in this period, certain statements have been prepared and will be referred to in the comments which follow.

Indebtedness, Valuation and Taxes: (Schedule A)

It will be noted that in the year 1930, (referred to as the fiscal year ended January 31, 1931) the assessed valuation was \$5,359,000, the tax levy just under \$146,000, and the local tax rate \$2.66 per hundred as compared to the average rate for the state in the same year of \$2.84. There were outstanding bonds at that time amounting to \$53,500, and the town closed its fiscal year with a net debt of \$16,079.51.

Ten years later the assessed valuation had decreased by more than a million dollars, to \$4,325,936; the tax levy still remained at approximately \$146,000; while the tax rate had increased to \$3.31

as compared to the average rate for the state of \$3.41.

In the current year (1941) a slight decrease in valuation from last year is noted, while the tax levy increased by about \$4,400, which resulted in a tax rate of \$3.43, as compared to the average rate for the state of \$3.35. It will be noted that the increase in the tax rate which has taken place during the last decade was principally due to decreased valuation rather than increased tax levies.

The bonded debt, during this period, increased by \$8,500 and the net debt by more than \$30,000.

A more detailed statement of comparative property valuations over a period of years will be found in Schedule B.

Bonded Debt and Debt Limit: (Schedule C)

The bonded debt of the town and school district as compared to the legal debt limit of each is indicated in this Schedule.

Bonded Debt and Annual Maturities: (Schedule D)

As indicated by this Schedule, outstanding bonds as of January 31, 1941, amounted to \$62,000.00. These are made up of the following issues:

Water Shed Bonds of 1936.....	\$ 20,000.00
Annual Maturities, up to and including 1944....	\$ 5,000.00
Cascade Water Bonds of 1938.....	20,000.00
Annual Maturities, up to and including 1946....	3,000.00
\$2,000.00 in 1947	
Water Supply Notes of 1941.....	14,000.00
Annual Maturities, up to and including 1944....	3,000.00
\$2,000.00 in 1945.	
Equipment Bonds of 1941.....	8,000.00
Annual Maturities, up to and including 1944....	2,000.00

Annual interest requirements are also shown.

Revenues, Appropriations and Expenditures—1939 and 1940: (Schedules E, F, G, H)

An analysis of revenues, estimated and actual, and appropriations and expenditures for the years 1939 and 1940, is presented in detail in these schedules. In 1939 there was a net overdraft of appropriations of \$14,831.97, a net excess of actual over estimated revenues of \$3,762.18, with a resulting net budget deficit of \$11,069.79.

In 1940 a net overdraft of appropriations of \$8,163.02, and a net excess of actual over estimated revenues of \$1,019.27, resulted in a net budget deficit of \$7,143.75.

In 1939, in addition to a substantial overdraft in the appropriations for W.P.A., it will be noted that the following expenditures were made without specific appropriation:

New Reservoir Pipe Line.....	\$ 4,514.94
Cascade Pump	1,690.86
Water Survey	1,331.52

In 1940, expenditures made on account of the construction of "Ice Gulch Dam" amounted to \$20,328.70, which exceeded the appropriation for this project by \$11,828.70. The town meeting of March, 1940, appropriated \$8,500, which amount was raised by a bond issue.

Subsequently an article was included in the warrant for the November 5, 1940, (Presidential Election) meeting which read as follows:

"To see if the town will vote to authorize the selectmen to raise or borrow a sum not to exceed \$7,000 to complete the Ice Gulch Dam, the funds to be raised by an addition to the town's notes or bonds."

The vote actually taken, according to the records of the town clerk, was—

"It was voted that this meeting go on record to leave it with the Selectmen on the Ice Gulch Dam." No mention of any specific appropriation was contained therein.

The town of Gorham has adopted the provisions of the "Municipal Budget Act" and is therefore limited by certain restrictions imposed by this act. Attention is called to Section 5, which reads as follows:

"Exceeding Appropriations: In towns adopting the provisions of this act, no board of selectmen, school board or other spending agency shall pay or agree to pay any money or incur any liability involving the expenditure of money for any purpose for which an appropriation has not been made, or in excess of any appropriation or allotment made to it except for the purpose of paying judgments rendered against a town or school district, provided, however, that in case of sudden and unexpected emergency the selectmen may on application to the tax commission and the school board on application to the state board of education after hearing be given a certificate of emergency authorizing them to make such expenditure or incur such liability; provided, further, that in cases arising during the year following a town meeting where changes occur which make it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by boards of selectmen or school boards from one appropriation to another, provided the total amount expended for all purposes does not exceed the total amount appropriated at town or school meetings for all purposes."

It will be seen therefore that contrary to the provisions of

the above mentioned section, expenditures have been made without specific appropriations and certain appropriations have been exceeded in an amount greater than the unexpended balances of all other appropriations.

It is not within our province as auditors to determine whether or not the expenditure of funds far in excess of the amount appropriated, as in the case of Ice Gulch Dam, was warranted and necessary to complete this project. It is our duty, however, to point out that the town officials responsible for such expenditures, viz: the board of water commissioners and the board of selectmen, did not secure the proper authorization for exceeding appropriations either from the budget committee, the town meeting, or the tax commission, as is required by Section 5 of the Municipal Budget Act, heretofore quoted.

Accounts of Selectmen and Treasurer

Vouchers issued by the selectmen during the fiscal year ended January 31, 1941, and the current year to October 20, 1941, were examined as were also the supporting invoices and highway and water department payrolls. The receipts of the treasurer were checked by source, insofar as it was possible to do so. Totals of receipts and expenditures were verified. The treasurer's cash book balance as of October 20, 1941, amounted to \$40,530.42. The reconciliation bank balances were in agreement with this amount. (Schedule I).

The accounting records of the selectmen and likewise those of the water department which are kept by the accountant, Mrs. M. B. Leggett, were found to be in good condition and so arranged that the desired information may be readily obtained.

Taxes

The tax warrants of Collector Perkins for the levy of 1941 and of Collector Hamlin for the levy of 1940, were audited and balanced as of October 28, 1941, as indicated by Schedules J and K, respectively. An examination was also made of the tax sales records and a detailed list of unredeemed taxes appears in Schedule L.

Town Clerk

The accounts of the former town clerk, including the issuance of motor vehicle permits and dog licenses, were examined for the fiscal year ended January 31, 1941, and the current year to March 11, 1941. (Schedule N).

The accounts of the present town clerk were audited for the period March 11th to October 28, 1941. The excess credit of \$22.11 is presumed to be due to an unrecorded receipt or receipts

of this amount.

In this connection it is recommended that the town clerk obtain the standard form of town clerk's cash book in order that a detailed and permanent record of all licenses and permits issued may be available. It is furthermore recommended that use of the standard form of dog license certificate be adopted.

The selectmen should annually furnish the town clerk with a list of dog owners on or before May 1st, as required by Chapter 150, Section 17, of the N. H. Public Laws.

Water Department

All bills of the water department are first approved by the board of water commissioners before being paid by the town treasurer on order of the selectmen. All collections of this department are turned over to the town treasurer. A summary of collections and remittances for 1940, and the current year to October 23, 1941, is included in Schedule P-2.

Ice Gulch Dam

The large appropriation overdraft occasioned by expenditures on account of the construction of this dam for a water supply storage reservoir has heretofore been commented on. It was felt, however, that in view of the controversial aspect of this project costs should be broken down into more detail. With this in mind two statements have been prepared.

The first, indicated as Schedule P, is a summary of payments made to the contractors, showing the cubic yards and cost of structural and ledge excavation, cubic yards and cost of concrete poured, and other miscellaneous expenditures. Deductions made on account of cement and sand purchased by the town are also shown on this statement.

It will be noted that errors were discovered in the computation of two different bills. On one an overpayment of \$179.90 is indicated, while the other shows an underpayment of \$10.00. A refund should therefore be made to the town by contractor Malloy in the amount of \$169.90 to adjust these errors.

Schedule P-1, shows in detail the expenditures on account of material purchased, including cement, lime, pipe and structural steel, together with miscellaneous supplies and labor costs.

Trust Funds

The savings bank books representing the invested principal and unexpended income of the various trust funds were examined. All funds, as indicated in the trust fund record book, were accounted for. (Schedule O).

Town Officers' Bonds

The surety bonds of town officers were examined and found to be satisfactory as to form and amount with the following exceptions:

Trustees of trust funds should furnish bond as required by Chapter 42, Section 27, of the N. H. Public Laws.

A reduction in the amount of the town clerk's bond from \$5,000 to \$2,000 is suggested. It is also recommended that the bond of the Superintendent of Water Department be increased from \$1,000 to \$3,000. Such changes are based on the amount of funds handled by these officials.

General Comments

It has been customary in the town of Gorham to set up all unexpended appropriation balances at the close of the fiscal year as liabilities in the balance sheet. This is contrary to the procedure followed by towns under uniform municipal accounting.

All appropriations for maintenance of departments or other current operations should lapse at the end of the fiscal year and any unexpended balances automatically become part of the general funds. The exception to this is in the case of the school district whose fiscal year ends five months later than the town year. Consequently any balance due the school district at the close of the town year is properly carried as an appropriation liability in the balance sheet.

However, unexpended balances of appropriations made for specific purposes such as the construction of designated highways or sidewalks, new buildings, etc., do not lapse at the end of the year provided that the particular project for which the appropriation was made is not completed at that time.

It will therefore be seen that the appropriation for town charges, maintenance of highways, water and sewer departments, etc., should lapse at the close of each year. On the other hand the unexpended balances at the close of the last fiscal year of appropriations such as "Gorham Hill Water" and "Repairs to Legion Building" were properly set up as liabilities in the balance sheet to provide for the completion of these specific projects.

The accounts and records of all town officials were found to be in good condition and the accounting procedure, except as heretofore noted, in accordance with the standard system prescribed by the tax commission. Minor changes in accounting practices were discussed with the town officials during the course of the audit and suggestions and recommendations made in connection therewith.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. The letter of transmittal should be included in its entirety.

We extend our thanks to the officials of the town and the water department for the time given and the information furnished while we were engaged in this audit.

Yours very truly,

HAROLD G. FOWLER, Director,
Division of Municipal Accounting
State Tax Commission.

Lawton B. Chandler,
Herbert E. Hunt,
Accountants.
